

SRM-220

Professional PA Floor Monitor Speaker System

200
WATTS

Ahuja introduces a compact & rugged multi-functional 200 Watts Professional 2-Way Speaker System. Ideally suitable for a variety of indoor & outdoor applications such as PA, Floor Monitoring, FOH etc.

- High power speaker system with exceptional sound quality.
- Consists of a high performance 15" full range speaker and a piezo tweeter for extended H.F. response.
- Uniquely engineered trapezoidal design of the speaker cabinet helps the user to place it at any of three functional angles (as shown in the pictures above).
- Heavy duty steel grille for speaker protection.
- Fully carpet covered for safety and durability.
- Strong plastic feet on all the three functional surfaces for stable positioning.
- Provided with an integral stand adaptor.
- Tweeter ON/OFF switch for selecting desired high frequency response.
