

SM 650XLR Cardioid Microphone

The Studiomaster Professional SM 650 is a high quality Cardioid Microphone with a uniform pickup pattern & wide frequency response for superior sound reproduction.

Features:

- Cardioid pickup pattern ensure excellent on-axis pickup
- Designed for higher gain & less feedback
- Natural & fuller tone
- Suspended cartridge shock-mount system minimizes handling noise
- Low-failure magnetic On-Off switch
- Rugged body & dent-proof steel grill that withstands physical shocks
- Ideal microphone for vocals, choirs, instruments, speech programs & various PA applications
